CONSIDER ONLINE GIVING

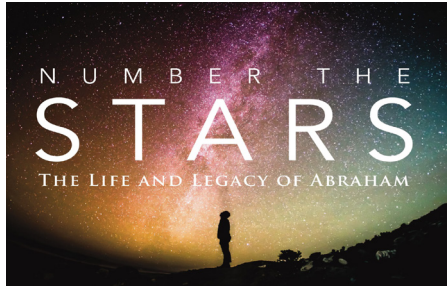

We trust our Heavenly Father to meet our needs. Now would be an ideal time to consider ONLINE GIVING. Go to faithsf.com/give and feel free to contact Linda or Deb in our office if you have questions. You can always use the mail! Pray with us please about this—God is our Jehovah Jireh, our Provider. Elders will closely monitor our finances at this time.

COMMUNITY WIDE

Faith Baptist Fellowship is participating in a community-wide volunteer movement. Coronahelpsf.com is the website, and the Facebook page is Empower Church Network. Volunteer opportunities will be shared, such as feeding kids out of school, putting together food boxes for Feeding South Dakota, etc. Do you have a need? Along with contacting us, our Community Helpline will serve to distribute/direct the requests for help. Call 2-1-1 and a caring voice will direct you to available resources. Thank you in advance for all who will step into the gap and help!
